TYPE OF STANDS

THERE ARE TWO AVAILABLE TYPES OF STANDS, PREFABRICATED AND CUSTOM MADE.

Prefabricated stand includes White wall panels 3.5m in height, info. desk, LED monitors, one table with two chairs, and one 240-volt power socket. In addition, your company logo will be printed on the stand and you will be able to present a short video about your company/product. TF will also provide an English/Russian speaking assistant who will man your stand during the entire conference, which will allow you to benefit from networking opportunities at the conference to further grow your business in Turkmenistan. Prefabricated stand is the ideal option if your company doesn't have a physical presence in Turkmenistan and you travel from abroad on a short notice.

PREFABRICATED STAND

CUSTOM MADE STAND

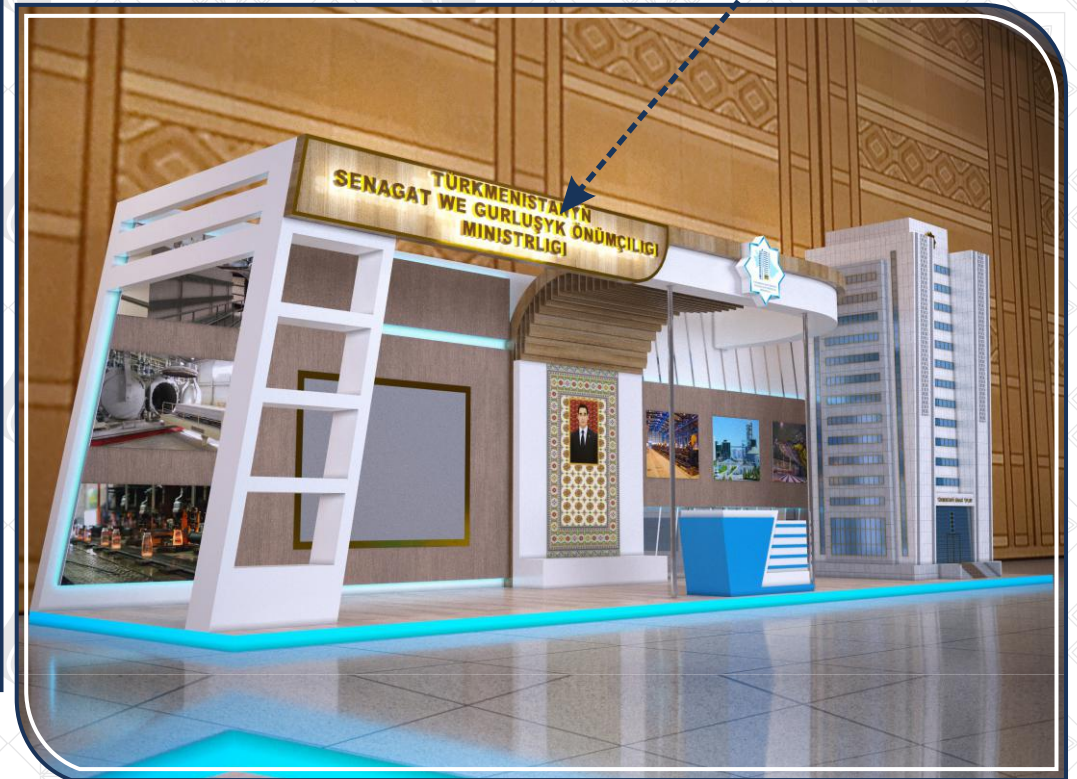

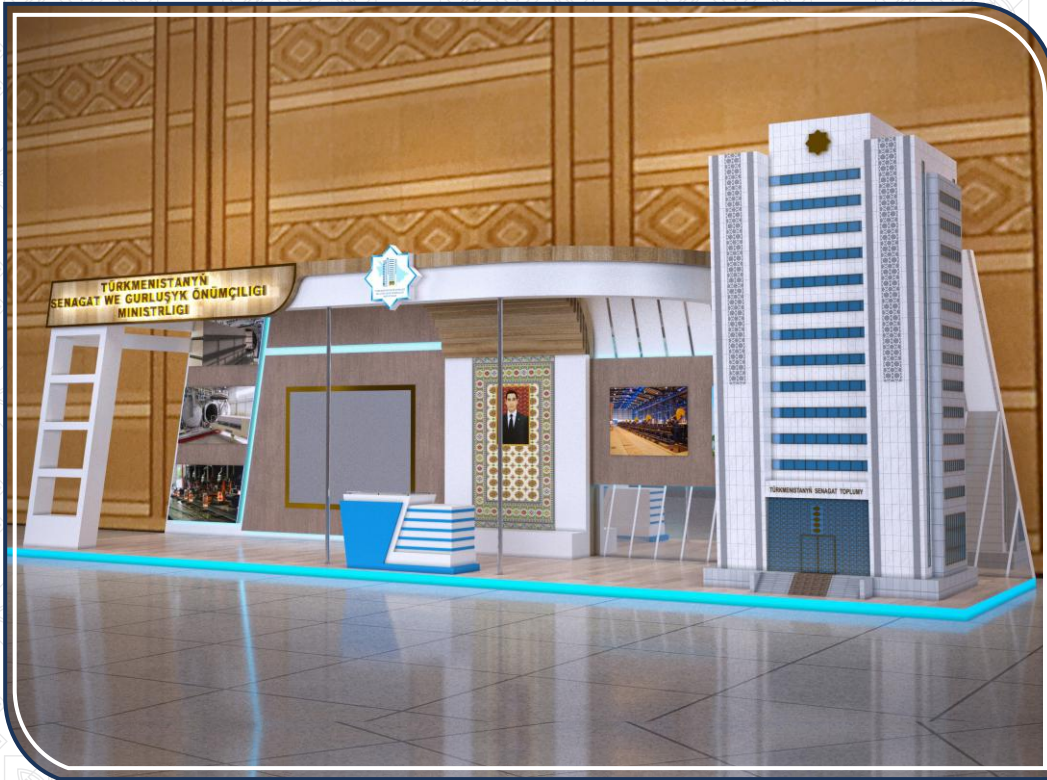

Custom made stand does not include any stand Construction except one 240-volt power supply. The design of the stand should be chosen by the exhibitor and confirmed by the Organizing Committee.
